Dear

I'm writing to invite you to the American Society of Gene & Cell Therapy (ASGCT) 27th Annual Meeting, to be held May 7-11, 2024, at the Baltimore Convention Center in Baltimore, and virtually. The Annual Meeting is the premier event for professionals in gene and cell therapy to learn from the latest scientific research, stay up-to-date on new technologies, and make career-advancing connections with peers.

If you're planning to attend the meeting in person, you will be responsible for the cost of airfare to and from the meeting, the registration fee, and the cost of the hotel where you'll stay for the duration of the meeting. During the registration process, you can book a room at one of ASGCT's host hotels.

If you have any questions, please direct them to me through the ASGCT Executive Office via phone at +1 414.278.1341 or info@asgct.org. I hope to see you at the Annual Meeting this spring.

Sincerely,

David Barrett, JD
Chief Executive Officer

American Society of Gene & Cell Therapy
